Concrete Sealer

AuSeal concrete and paving sealer has been specifically formulated to provide excellent wear and abrasion resistance providing total protection to your concrete surfaces.

AuSeal sealer is a single pack system. It is suitable for application on factory floors, car parks, driveways, garages, verandahs and concrete paved surfaces.

AuSeal sealer comes in a wide range of colours including a clear finish.

Concrete Curing Aid & Sealer

Curite is a clear acrylic resin sealer suitable for many surfaces such as:

- Concrete • Mud Brick •
- Stone • Cement Sheeting •
 - Plaster Board •
 - Wood Panelling •
- Pine Board • Earth Walls •
 - Earth Floors •
 - Structural Steel •
 - Metal Cladding •
 - Corrugated Iron •

The unique Curite formula has excellent adhesion properties, is weather-proof and eliminates structural dampness in walls and floors.
